Mentor-Mentee Meeting Report

2025-05-19

Week of: 12th May – 17th May, 2025

Mentor: Jean Francois Regis MUKIZA

1 Attendance Summary

NAMES	DAY 1	DAY 2	DAY 3	DAY 4	DAY 5	DAY 6
Muvandimwe Delphin	N/A	No	Yes	Yes	Yes	Yes
Ndamage Shema Eric	N/A	Yes	Yes	Yes	Yes	Yes
Niyigena Angelique	N/A	No	No	No	No	Yes
Niyitanga Esron	N/A	No	No	No	No	Yes
Niyogisubizo Clarisse	N/A	No	No	No	Yes	Yes
Niyogisubizo Ruth	N/A	No	Yes	Yes	Yes	Yes
Nsanzimana Philimin	N/A	Yes	Yes	Yes	Yes	Yes

Attended: Yes

Not Attended: No

Follow-Up Required:

- **Niyitanga Esron** – Reason : He is unresponsive to both whatsapp and email communication channels.
- **Niyigena Angelique** – Reason : She is facing some Network issues where she lives in Karongi district.

2 Topics and Actions Discussed During the Week

- **12th May (Monday):**
 - Creation of the whatsapp group of my mentees and a small introduction and welcome to college counselling program.

- **13th May (Tuesday):**

- Self Introduction in brief, Talking in summary what Equity college counselling is all about reflecting to my experience and laying an encouragement to the scholars to follow College counselling sessions.
- Creation of the scholar profile as they introduce themselves, the combination they took in high school and also the course they plan to take in the university.

- **14th May (Wednesday):**

- Presentation about how to open a new Gmail account with full names that will be used for applications and also the steps to open Khan academy account for SAT exam preparation.
- The email welcoming the mentees to ECCP mentioned the kind of support that they will get.

- **15th May (Thursday):**

- Presentation about Balancing College Applications with internship and Studying (Test preparations)
- The questions from the mentees were responded to highlighting the importance of the program in general and encouraging them for active participation.

- **16th May (Friday):**

- The Example of possibility: One mentor who got into Stanford university talked to the mentees and encouraged them to follow College counselling sessions and stepping out of comfort zone because that's where growth happens !
- SAT Diagnostic Test Preparation and Depiction of how to open CollegeBoard account.

- **17th May (Saturday):**

- SAT Diagnostic Test that was conducted using khan academy.

3 Key Observations

- Low attendance in the first days.
- Internet instability disrupted virtual sessions, particularly for scholars in regions with poor connectivity.
- Some scholars were having to buy the laptops this saturday.
- The mentees who attended were active and engaged in the discussion.

4 Action Items

- Following up with absent mentees via whatsapp by 19/5/2025 and continous engagement of already available mentees.
- Review of SAT diagnostic test with mentees in this coming weeeek.

2 Topics and Actions Discussed During the Week

- **14th July (Monday):**

- This is how the day went: Information session tasks: Haverford College, viewing the "Info Session Videos," visiting their website to learn more, and completing the Haverford-related quiz that my mentees took.

- **15th July (Tuesday):**

- My mentees participated in the Yale University live information session.

- I shared a paper with my mentees with a list of universities that offer fully funded scholarships for them to be able to fill them in their common app accounts after applying research skills for those universities.
- **16th July (Wednesday):**
 - To help the mentees stay on track as they prepare to start the application process, we went over the application materials again, including the activities list, personal statements, and the list of honours and awards.
- **17th July (Thursday):**
 - My mentees were present at Duke University’s Live Info Session.
- **18th July (Friday):**
 - My mentees attended a special Closeout and Executive Mentorship Session with our Group CEO, Dr. James Mwangi, as their Pre-University Internship journey at the Branches draws to a close.
- **19th July (Saturday):**
 - The last meeting with the Equity Entrepreneurship Development and Financial Inclusion (EDFI) team was attended by my mentees.

3 Key Observations

- Mentees actively participated in college sessions, demonstrating a dedication to higher education. They also looked into entrepreneurship and demonstrated an interest in developing skills for future success.

4 Action Items

- Increased personalized support for each mentee to track their actual progress in the program and readiness to create an application with the best chance of securing the fully funded scholarship.

2 Topics and Actions Discussed During the Week

- **23rd June (Monday):**

- I conducted a session with my mentees scholars to revisit their personal statements, addressing any questions or concerns they had. We reviewed key elements of strong personal statements and provided individualized feedback. Mentees worked on finalizing their drafts.

- **24th June (Tuesday):**

- The focus of the second day was refining the mentees’ activities lists. I led a Q&A session to clarify how to effectively present their extracurricular involvement. Mentees completed their activities lists.
- **25th June (Wednesday):**
 - During the third day, we revisited the honors and awards lists, with a session to help my mentees highlight their achievements appropriately. Mentees worked towards finalizing lists of honors.
 - Our Brother DELPHIN MUVANDIMWE got an admission in ALIBABA BUSINESS SCHOOL where we congratulated him (The first mentee to get a fully funded scholarship in our group) and an example to the rest of mentees to work hard and become serious with the program and doing university applications.
- **26th June (Thursday):**
 - I revisited the Counselor Recommendation session to clarify doubts and guide mentees on securing strong recommendations. I reviewed their Final Draft of the Counselor Recommendation Brag Sheet, providing individualized feedback to ensure it highlighted their academic achievements, extracurriculars, and personal strengths.
- **27th June (Friday):**
 - I led a Teacher Recommendation Q&A, helping mentees choose the right teachers and craft compelling recommendation requests. I then reviewed their Final Draft of the Teacher Recommendation Brag Sheet, focusing on clarity, relevance, and alignment with their college application goals.
- **28th June (Saturday):**
 - Today mentees attended a college counselling program featuring an interview session for all scholars, guidance from mentors on application timelines and pacing, and a panel discussion with successful scholars and mentors. The sessions focused on preparing applications, understanding key deadlines, and gaining insights from experienced mentors and peers.

3 Key Observations

- Scholars refined critical application components (personal statements, activities lists, honors/awards, and recommendation brag sheets) through structured sessions and assignments.
- Saturday panel discussion provided personalized guidance and peer learning opportunities, enhancing scholar confidence.

4 Action Items

- Addressing any pending questions or concerns from scholars.
- Mentees Applying relevant advice to their application materials after hearing from successful scholars.

2 Topics and Actions Discussed During the Week

- **26th May (Monday):**

- Presentation about Introduction to University Applications and Strategies for Success. Motivation for attending the university, Key Components of University Applications, Application Tips and staying motivated.
- Each scholar responded to these two questions: "What's your biggest motivation for attending university?"; "What's one challenge you've overcome that makes you proud?"

- **27th May (Tuesday):**

- This day we had a Study Group Meet up where we went over the questions that some of my mentees missed in the Unit Tests done in class bringing the answers accordingly !
- **28th May (Wednesday):**
 - Presentation about ” Brainstorming a Topic for Your Personal Statement, Find Your Unique Story ” including why brainstorming matters, Brainstorming techniques and Pitfalls to avoid.
- **29th May (Thursday):**
 - This day, we had a Study Group Meeting in which we went over the questions that some of my mentees missed on the Unit Tests in class and brought the correct answers.
- **30th May (Friday):**
 - Crafting Powerful Personal Statements: Brainstorming and Topic Development. Brainstorming Techniques, Topic Categories, Build Your Topic List, Filter and Focus, Inspiration to Act with Reflection and Exit Ticket.
- **31st May (Saturday):**
 - Developing a list of topics for the personal statement by mentees and Discussion on developed topics.

3 Key Observations

- All mentees attended the planned weekly sessions.
- The mentees who attended were active and engaged in the discussion.
- SAT assignments were given to the scholars and the difficult questions were solved together.

4 Action Items

- Diving deeper into writing personal statements in the coming days.
- Additional SAT assignments for improvement.

2 Topics and Actions Discussed During the Week

- **16th June (Monday):**

- Throughout our mentor-mentee session, I covered topics such as How to Write Strong Supplementary Essays for College Applications, Typical Supplementary Essay Prompt Types, Crucial Advice for Writing Great Supplementary Essays, and How to Collaboratively Plan a Response as a Comprehensive Approach to Supplementary Essays.

- **17th June (Tuesday):**

- We discussed SAT expression of ideas and standard English conventions during our study group meeting today. We worked together on some questions and exchanged advice on how to approach them, all while referring to the corresponding Khan Academy assignment.
- **18th June (Wednesday):**
 - I gave the mentees instructions on how to create winning themed applications for college, scholarships, and other opportunities. I covered topics like Why Themed Applications Succeed, Finding Your Theme, Crucial Themed Application Components, Proven Success Strategies, and Advancing Your College Application Journey.
 - I talked about "Important Opportunity: Apply for University of Rwanda and Mastercard Foundation Scholarship" with the mentees. demonstrating to the mentees that there are opportunities and that they must outperform the competition.
- **19th June (Thursday):**
 - We had a study group meeting today to review the questions that some of my mentees received differently on the SAT grammar unit test from the Khan Academy assignment. Some of the questions differed from the ones that were fixed during the main session, and they brought the right answers.
- **20th June (Friday):**
 - We had a study group meeting today where we reviewed the SAT final review math questions that some of my mentees received differently from the Khan Academy assignment. Some of the questions differed from the ones that were fixed during the main session, and they brought the right answers.
- **21st June (Saturday):**
 - Practice for the SAT The mentee completed the Bluebook test before noon, and the review was completed in the afternoon!
 - We discussed university life in a separate session, emphasizing the value of university applications.

3 Key Observations

- Toward the end of the week, there was a slight decline in the number of people attending evening sessions, and some mentees arrived late in midweek classes without prior notification.
- Collaborative learning was actively facilitated through the use of study group meetings.
- On application themes and supplemental essays, many mentees demonstrated noticeable growth.

4 Action Items

- Arranging a separate, one-on-one meeting with each mentee to assess their progress in the program, how they approach the tasks assigned to them, any difficulties they may be having, and to answer any questions they may have. done for a single mentee at a time rather than as a group.
- Additional SAT assignment for improvement.

2 Topics and Actions Discussed During the Week

• 30th June (Monday):

- I reminded my mentees to continue working on their personal statement drafts. I also reviewed the drafts that my mentees sent me via Google Docs, provided feedback to help them improve, and wrapped up the final version of the personal statement.

• 1st July (Tuesday):

- We had Info session video about Washington & Lee University which my mentees watched.

- The mentees attended live info session from Davidson college.
- **2nd July (Wednesday):**
 - Presentation on "Mental Health during Applications" was held and my mentees attended.
 - I announced to my mentees the EDUCATION USA PROGRAM, how it works, the advantages of applying in it and what they really do at the same time encouraging my mentees to apply in it.
- **3rd July (Thursday):**
 - My mentees watched information session video from Stanford University and answered the questions that were given related to the video session.
- **4th July (Friday):**
 - My mentees watched an information session video from Skidmore College and responded to the questions posed about the video.
- **5th July (Saturday):**
 - SAT Bluebook Full Practice 8 was held; some mentees sent in difficult questions, and we worked together to find answers.

3 Key Observations

- Mentees participated in multiple live and recorded university information sessions.
- Progress in Application Materials: Personal statement drafts were reviewed and refined with guided feedback.
- Mentees balanced academic preparation (SAT practice) and well-being (mental health session), resulting in a well-rounded approach to their application process.

4 Action Items

- Review and finalize any remaining personal statement drafts to ensure all mentees have polished versions ready for submission.
- Additional SAT practice questions to the mentees.

2 Topics and Actions Discussed During the Week

- **7th July (Monday):**

- I reminded the scholars to watch the admission video prior to the information session so they could ask intelligent questions during the live virtual information session about Bowdoin College. After the information session, mentees also filled out the interest form.

- **8th July (Tuesday):**

- The majority of the mentees were present at the branch when the live virtual information session about Middlebury College took place at 2:00 PM EAT. During our mentor-mentee session, we revised the summary of this college.
- As we began our mentor-mentee switch-ups, I switched mentees with mentor Prisca Baganda and gave her DRC mentees advice on how to succeed in their application processes by sharing my application journey up to this point.
- **9th July (Wednesday):**
 - During our mentor-mentee swap, I switched mentees with AURÉLIE NISHIMWE. I shared my application journey with her mentees and provided tips and recommendations to help them succeed in theirs.
- **10th July (Thursday):**
 - The information session about Japanese universities and scholarship opportunities was attended by my mentees.
 - I switched mentees with TONY MWAMBALI CIRHULWIRE during our mentor-mentee exchange. I told his mentees about my application experience and offered advice and suggestions to help them be successful in theirs.
- **11th July (Friday):**
 - In our mentor-mentee exchange, I switched mentees with JEAN D’AMOUR MANIRAGABA. I shared my application experience with his mentees and gave them tips and recommendations to help them succeed with theirs.
- **12th July (Saturday):**
 - My mentees participated in the enterprise development and financial inclusion session with the Equity Group Foundation regarding entrepreneurship.

3 Key Observations

- Mentees actively participated in college sessions and completed related tasks, demonstrating their commitment to higher education opportunities.
- Swapping mentees allowed for shared insights and tailored advice, strengthening their application strategies through peer learning.
- Beyond academics, mentees explored entrepreneurship, showing interest in well-rounded skill-building for future success.

4 Action Items

- Expanding Mentor Swaps and scheduling additional exchanges to share diverse application tips.
- Having a debrief about university sessions.

2 Topics and Actions Discussed During the Week

• 9th June (Monday):

- We did a practical creation of a common app account together with the mentees and the ones who met the difficulties were resolved together.

• 10th June (Tuesday):

- This day we had a Study Group Meet up where we went through Information and Ideas as a part of SAT exam referring to the respective assignment that was given and corrected where we worked together on some questions and also tips to approach that kind of questions were shared.

- **11th June (Wednesday):**

- I explained the parts of counselor recommendation letter brag sheet to the mentees as well as the ways to fill it as the assignment to the mentors was to fill the counselor's recommendation letter brag sheet.

- **12th June (Thursday):**

- This day, we had a Study Group Meeting in which we went over the questions that some of my mentees got differently on the Unit Test about Unit and craft structure from the assignment on khan academy as some of them were different from what were corrected in the main session and brought the correct answers.

- **13th June (Friday):**

- During our mentor-mentee session, I explained the parts of Teacher recommendation letter brag sheet to the mentees as well as the ways to fill it as the assignment to the mentors was to fill the Teacher's recommendation letter brag sheet.
- I addressed the mentors about this topic "Important Guidance on Ethical AI Use for Your College Application Essays." where I included why this matters for college applications, Ethical use of AI, The real consequences of unethical use of AI and what to do to put in action ethical use of AI.

- **14th June (Saturday):**

- We had a combined session about researching and choosing schools in and outside USA, Applying for mastercard foundation scholarships and applying to government scholarships where the scholars were left with an assignment to list the schools they want to join!

3 Key Observations

- This week, students have filled the brag sheets for both counselor recommendation letter and teacher recommendation letter.
- Some scholars were not aware about the difference between ethical and unethical use of AI regards to college applications.
- SAT assignments were given to the scholars and the difficult questions were solved together.

4 Action Items

- Continuation of revision of the brag sheets that are being sent by mentees and continuous support.
- Additional SAT assignments for improvement.

- Follow up about the assignment given to the mentees from the main session about developing a list of schools to apply to.
